

GENDARME White

AOP CÔTES DE PROVENCE

Saint-Tropez and the gendarmerie is a love story dating back to 1838, when the very first gendarmerie brigade "on foot" was created in the "city of Bailli de Suffren".

TASTING NOTES

Limpid and brilliant color with golden glints. Elegant nose marked by white flowers. Aromas of yellow fruits with notes of exotic fruits, aniseed scents, blackcurrant bud, green asparagus with a salty touch. Crunchy on the palate with volume, a nice iodized freshness. A finish that makes it salivate and prolongs.
